MAMMOTH STOCK OF SPRING
CLOTHING.

We are now manufacturing the largest and most complete STOCK of SPRING CLOTHING ever offered to the Public and by the first of March will have it completed. Our FALL SALES so far exceeded our expectations, that we were entirely out of goods, and were compelled to disappoint hundreds of customers. But for the approaching season we shall endeavor to manufacture a stock that will supply all who favor us with their patronage. It is useless to boast of great bargains, as it is a fact acknowledged by all who have purchased of us, that we can and do sell nothing that pays them better and sells off cleaner than those purchased at any other house.

Call, and we will show you through with pleasure.

UP TO DATE—Large Sales and small profits.

NEVER FAILING REMEDY!!!

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1852.

To Professor HOLLOWAY.

Dear Sir—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Belgrave Street, in this town, was thrown from his horse, whereby he received very serious injuries; yet he grew worse, and at last a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour. (Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. H. H. Draper, of Keady, near Gainsborough, dated March 1st, 1852.

To professor HOLLOWAY.

Sir—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, but all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I will be happy to testify the truth of this to any enquiry.

(Signed) J. HIRD.

CERTAIN REMEDY FOR SCORBUTIC CUTS
—AND AN ASTONISHING CURE
OLD LADY SEVENTY YEARS OF AGE
OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, Bath.

To Professor HOLLOWAY.

Dear Sir,—Among the numerous cures effected by the use of your valuable medicines in the neighborhood we may mention that of an old lady living in the Village of Preston, about six miles from the City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use until she received a perfect cure. We have often been greatly astonished at the effect upon an old person, she being above 70 years of age. We shall be glad to satisfy any enquiry as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also, was perfectly cured of an old accrotic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir,

Yours, faithfully,

April 6th, 1852. (Signed) WALKER & CO.

The Pills should be used conjointly with the Ointment in most of the following cases:—
